

The Owners

As is the case with many families these days, we lead very busy lives, but quality family time is our most important priority. Recently we took a vacation to Disney World in Orlando. The

Jeff, Raquel, Hailey,
Kristy & Cody Lincoln

memories generated on that trip are no doubt life-long, but that trip also inspired us to pursue a property in Florida to ensure that we would have many more quality family trips as our children grow. Time flies by so quickly and they grow up so fast.

Our villa, *Pinewood Breezes*, reflects everything we are looking for: it is easy to find, close to all major attractions including Disney World, SeaWorld & Universal Studios

and is situated on a corner lot (with no backdoor neighbour), leaving lots of room for the kids, reminding us of our home in Canada. We love the convenience of a major grocery store & restaurants only a 5 minute walk away! A late-night family swim in the screened-in pool is the one activity the kids ask for over & over!

We have poured our hearts & souls into creating a comfortable home that we invite you to enjoy. We are grateful for the blessing of an opportunity to have a little piece of southern paradise & hope that you will be able to experience it too!

A Golfer's Paradise...

The Highlands Reserve Golf Club is located a short 7 minute walk, or 2 minute drive away! This championship Mike Dasher designed course gives you open spacious pine tree-lined fairways and a bit of old Orlando with citrus trees along the countryside. Large, fast, undulating greens make this course challenging and fun for all levels of golfers.

For the more discerning golfer we recommend the Reunion Golf Club located a short 10 minute drive away. Hidden within the swirl of excitement that is Central Florida are four legendary golf courses beckoning you to test your game. Polish off your clubs and experience Signature golf courses designed by some of the greatest names in golf - Tom Watson, Arnold Palmer and Jack Nicklaus.
